Agenda 3: Curriculum Design and Development

- The number of New Course and Value Added Course was listed out by the Principal. 10% students take open elective course to added extra credit.
- Members suggested that the open elective course can be taught in conventional mode. Hence, few courses such as Cloud Computing, Python Programme and so forth can be introduced with hands-on training mode.
- Members evinced that awareness among students should be created to take skill development courses/workshops offered by various government organizations in Research and Development such as,
 - CSIR – IPR, Workshop
 - INVP Sponsored hands on Training.
 - ISRO Sponsored Training and Workshop
 - Training and Research at IGMPI
 - NAFARI Training Program
- Members suggested that stakeholder's feedback on Curriculum Development may be obtained through online mode and can be incorporated into the curriculum after obtaining approval from Board of Studies with necessary clarifications and amendments.

Agenda 4: Teaching Learning Process

- The Principal presented the Academic Schedule for the year 2019-20 and orientation Programme has been planned to be conducted in the month of August.
- Members suggested that the overall pass percentage should fixed at 75% for all classes. They also recommended that individual faculty should plan to achieve 85% and above in their respective courses so as to achieve the set target of Pass Percentage. The principal also informed the members that students failing in one / two subjects brings down overall results and advised the faculty should identify such of those students and take corrective measures.

- It was unanimously decided that the results have to be published within 10 days from the last date of End Semester Examination.
- Members suggested that our Library should facilitate to keep the End Semester Question Paper along with the Answer Key in digital mode for the benefit of students.
- Members suggested that members of faculty are to be motivated to register for the doctoral programme in their respective domains so as to meet the future contingencies in the eligibility norms which may be revised by AICTE.

Agenda 5: Enhancing Quality in Recent Research and Development

- The Principal presented the following items,
 - Funded Project : Rs.70,31,665
 - Consultancy : Rs.723830
 - No.of Patent Applied : Nil
 - No.of Patent Granted : Nil
- Members suggested to conduct various programs to improve the above activities through IQAC.
- They also suggested that there search centre's have to organize seminars and workshops on thrust areas once in a month.
- It was suggested by the members that members of faculty are to be motivated to do consultancy work in the near-by industries.
- Members suggested to strengthen the collaborative research with centrally funded Research and Development Lab Institutes so as to enhance the research activity.

Agenda 6: Infrastructure and Learning Resources

- The Chairperson has highlighted the 4 Smart Class Rooms for a worth of 15 lakhs and setup new Gallery Hall in Academic Block A for a worth of 75 Lakhs.
- It was further decided that the HoD of concern must review the Lab requirement for each department and consolidated proposal shall be submitted for discussion and approval.

Agenda 7: Student Support and Progression

- The Principal presented the following items,
 - No.of Company Visited in our Campus : 127
 - No.of Students Placed : 598
 - Max. Salary : 4.50 lakhs
 - Min. Salary : 1.5 lakhs

- Members suggested that Skill Based Training Programme shall be conducted for Students.
