## **EVENT REPORT**

**Awareness session on Narcotic drugs & Psychotropic substance**

**08.12.2020**

To raise awareness about drug abuse among students, teachers, administrators and non-teaching staff to highlight the threat that drugs pose to society, it is observed that our students are always trapped for drugs abuse. Narcotic can be the first step towards drugs. Awareness on Narcotics was observed on 07<sup>th</sup> December. On this day our Institution has planned an event on 07.12.2020 for the students at Silver Jubilee Hall by 11.45 am to 01.00 pm. More than 700 students participated in this event. Thiru Saraj Kumar Thakur, IPS., Superintendent of Police addressed the gathering with focus on forms of trap on cybercrime and the ethics that are required for the life. Narcotic products and its availability are common, the addiction process is not only a voluntary act, it is forced on students and they are the main prey for the drug market. Getting rid of the drug abuse is approached by few victims. Only one in 20 drugaddicts in India get treatment at a hospital. Tricks to identify the drug abuse victims and ways to recover and handle them was disseminated to the administrators and faculty team to benefit the society. This is an initiative taken by the Institution for Indian movement on Nasha Mukta Bharat Abhiyaan.
