**Question:**

Differentiate MTBT and MTTF

The above questions have been asked to the students and I gave them 2 minutes to think of the answer to the question. The 5 students formed as a pair and they discussed the answer with them for 5 minutes. Finally, all the teams shared their answer. Out of 10 teams, 6 teams have exactly known the difference MTBT and MTTF. The remaining teams came to know the differences between MTBT and MTTF from the team answered.
